**Please attach a resume and references.**

**On a separate piece of paper, explain in 250 words or fewer why you would like to participate in the DCAR Leadership Institute and how your participation would benefit DCAR.**

**Required Courses:** Participation in the DCAR Leadership Institute **requires attendance at all three courses.** Participants who miss a course may be asked to withdraw from the Institute without a tuition refund. The first course is a three-hour online course, which must be completed by the start of the second course. The second and third courses will be held in-person at our DC office in the fall. They will be held consecutively over the span of one or two days.

**Fee:** The charge for each individual participant in the DCAR Leadership Institute is \$500; however, we have liberal scholarship opportunities available. Also, please check with your office to see if it has a fund to pay for leadership opportunities such as this one. Accepted participants will be expected to submit payment before the start of the Institute.

Please return this completed application and accompanying documentation to:
